

SABRA SCHMOOZE

4 PARENTS

A Letter from Terri

Sabra Family,

We must soon say goodbye to our two week campers.....I am happy they had fun, and sad to see them go! I know we have a few more weeks of fun and family here on the peninsula, but we will miss those happy campers!

Our value this week is Chesed - Kindness. Every evening, we ask the campers for stories of where they have seen Chesed in action at camp. Tales of borrowed shoes, counselors who listen to kids when they are a little sad, friends who encourage each other at activities, staff who let the campers have grilled cheese first.....many kind actions here on the peninsula.

I hope at home that you are enjoying the photos of your camper(s) and hopefully letters home (unless your camper is "too busy" to write) - I can tell you that they are most certainly enjoying camp! -Terri, Camp Director

FIRST SHABBAT OF THE SESSION

Last Friday, Sabra successfully brought back the beautiful tradition of wearing white on Shabbat. Campers and staff danced all night to Sabra's best dances, cheers, and songs. There was a lovely breeze during services, and it made the evening particularly special. There's nothing quite like Shabbat at Camp Sabra. It's the most wonderful time of the week!

SABRA PURIM

PHOTO BOOTH

This past Saturday, Sabra came together for an all-camp evening program- Sabra Purim! Campers had a fantastic time taking photos at the photo booth, getting their nails or faces painted, dunking counselors at the dunking booth, writing letters to Israeli soldiers, slipping down the slip n' slide, and much more!

Ark Race Championship

This past week, the Judaics & Pool focus joined together for a very special race. After a long preparation of building their contraptions, the four teams competed to see whose ark could make it across the pool the quickest. Before the race, the teams stopped to take a glamour shot with their world-class arks.

Behold: The Winning Team!

Painting with a Twist

In their Arts & Crafts focus, these ladies enjoyed refreshing glasses of grape juice, festive music, and great company while painting their own version of a Camp Sabra sunset. Check out their masterpieces here!

Jewish Value of the Week

KINDNESS

From our Judaics Director, Rachel Dingman:

This week's value is Chesed, or Kindness. This week in the Judaics focus, we learned about Solomon and the first Temple. The campers read the text describing the Temple and then recreated their own versions of it with delicious materials. Check out their awesome creations here.
