

ATTENTION FROM ALMAGOR

LIFE ON THE PENINSULA

Almagor has had another great week! They had lots of fun participating in various Maccabia competitions and ended the week with Shabbat.

BREZ'S BEEN THERE, DONE THAT: A NOTE FROM YOUR UNIT HEAD

"This week has really flown by! The boys loved Maccabia and Big Surf. Our unit really feels like it has bonded, especially when we had our undernight. This has been a great first session and I can't wait for all the boys to return next summer!"

"Those of us on the yellow team loved winning Maccabia. We couldn't have done it without our amazing captains Jackie and Max! It was so fun watching our hydration director Michael dress up like the Phantom."

B14

"The Maccabia break out was super fun! We loved finding out the captains and what teams we were on. The best part of the day was getting to spend time with our friends and cheer on our teams. Those of us on the yellow team loved winning Maccabia."

B15

"At the end of Maccabia, the fireworks were the perfect way to end the day! Making the videos for our team and doing the leapfrog challenge during the blaze were the best parts. Those of us on the yellow thought winning Maccabia was awesome."

B8

"Our favorite part of Maccabia was the blaze! We loved getting to be on teams with people from all units! It was cool to get to participate in all the different activities throughout the day. The sports were definitely the best."

EVENING PROGRAMS

Every night after dinner, Almagor has a unit evening program, run by their unit, Brez.

Movie Night: Almagor enjoyed a relaxing night in the dining hall where they watched the Disney movie, Holes.

Sabra Clue: The boys went on a scavenger hunt around camp looking for clues. In order to receive a clue they had to complete a challenge. The goal was to get all the clues to guess who stole Bob's Chicken Patty Recipe.

Undernight: All of Almagor went to Harry's Hut for their Undernight program. They started the night off by creating foil packs and cooking them over the campfire. After, all of the boys were initiated into Almagor by receiving top secret warrior names from their counselors. They ended the evening with s'mores.

ACTIVITY SPOTLIGHT OF THE WEEK

This week Almagor enjoyed going to Sail Dock. They had the opportunity to kayak, paddleboard and funyak. However, their favorite part was getting to hang out with Sail Director, Almog.
