After an entire month of making memories and hanging with friends, the session has come to an end. This will be a summer we'll never forget! Follow along to hear all about what it is in store for the last week!

3/5/7/10 AWARDS

Each year we honor individuals for their time at camp. Individuals who have been at camp 3, 5, 7, or 10 years receive a momentum to commemorate their time at Camp!

Signing the Canoe

If you've ever been to camp, you've probably noticed the canoe that hangs in the dining hall. The canoe symbolizes all the campers and staff that have attended camp for more than 10 years. When a camper or staff member has reached their 10-year mark, they are invited to sign the canoe. Later in the year, their signature is burned into the canoe. It is so cool to see all those who have attended camp before us for so many years!

AREA AWARDS

Throughout the summer, the Area Directors watch for a camper who stands out in their area specifically. This camper takes initiative, helps others, has a positive attitude, and is always willing to try new things!

Tomahawk & Skipper Award

Each year the entire staff and past winners vote for one male and one female to receive these awards

Tomahawk Award: This award is given to a camper who is well-rounded and respected by everyone at camp, a good sport, and helps others.

Skipper Award: This award is given to a camper who excels in all areas at camp.

Both of these awards are given to the new recipients through a candle pass and speech in front of the entire camp.

Closing Campfire

On the last night of camp, everyone meets at Inspiration Point for the closing campfire. During the campfire, two representatives from each unit reflect on their favorite part of the summer. Songs are sung and chants are yelled to close out the first session!

We look forward to seeing everyone next year!
