

GREETINGS FROM GOLAN

LIFE ON THE PENINSULA

Golan has had another great week filled with lots of activities including Maccabia. We are so excited to have our 1B campers here to participate with us!

SETH SAYS: A NOTE FROM YOUR UNIT HEAD

"Golan had a great week! They loved doing all of the games during Maccabia and getting to interact in various competitions. We love having the 1B campers here and we are looking forward to Big Surf."

B5

"We had a blast at Maccabia yesterday! We really loved cheering throughout the day and getting to make the video for their teams! The campers on the yellow team really loved winning!"

B12

"Seeing everyone dressed up in their colors was so cool, it was one big sea of colors. A bunch of us did the human pyramid at the start of the blaze. Making the videos on our team was a fun experience."

Ari

"Those of us on the yellow team loved getting to win Maccabia. The second part of the blaze where we passed the bucket was fun, and we really liked being in the video and the dance."

B2

"We loved getting to be with our friends all day during Maccabia and make new friends on our team. Doing the blaze in the morning and playing games in the afternoon was awesome!"

B1

"Having fun with our friends was the best way to spend our day! Cheering for our team at all of the activities and participating in different parts of the blaze was so cool."

B16

"Doing the swim relay, tennis racket spinning, and spitting fruit loops during the blaze was super fun. Doing the activities at landsports in the afternoon was one of the best parts of the day."

EVENING PROGRAMS

Every night after dinner, Golan has a unit evening program, run by their unit head, Seth.

Pool Party: Golan got to cool off in the pool for a night of fun pool games, snacks, and soda. They loved getting to play pool basketball against their counselors and do rock wall races.

Live Arcade: For this evening program the Golan staff set up stations to simulate what some fan favorite games would be like in real life. There was live Pac Man, Foosball, Donkey Kong, and many other games that the campers got to participate in. It was a blast!

Mario Kart: Campers spent rest hour painting their custom cardboard "go-kart" with their cabin. Later that night they participated in a relay race with their cabin through obstacles like water balloons and road blocks to see which cabin was the fastest.

ACTIVITY SPOTLIGHT OF THE WEEK

Golan got the chance to go to ski a lot this week. Between skiing and wakeboarding at focuses and tubing during cabin activities, ski has been the place to be!

QUESTIONS TO ASK YOUR CAMPER IN YOUR NEXT LETTER TO THEM

- What songs did you sing at Shabbat?
- What team were you on for Maccabia?
- What activity did you participate in during Maccabia?

THINGS TO LOOK FORWARD TO:

- Talent Show
- Big Surf
- Closing Campfire
