EVENING PROGRAMS

Every night after dinner, Golan has a unit evening program, run by their unit head, Seth.

Undernight: The Golan boys spent the evening at Harry's Hut making foil packs and s'mores. They bonded as a unit and then headed back to their cabins!

Science Night: The boys of Golan got to do some fun science experiments such as mentos and coke and making slime. They had a blast being scientists for a night!

This week Golan loved being in Music for Cabin Activities and at song sessions! The boys have loved singing and dancing to their favorite camp songs with Mitch!
