

JEWISH LIFE ON THE PENINSULA

CAMP SABRA

SHABBAT SHALOM

Torah Portion: Pinchas Numbers 25:10-31:01

Friday Night

- Almagor
 - This past Friday, Almagor led the Shabbat Services. Each camper was given the opportunity to lead a prayer or song. Throughout the week, during cabin activities the men of Almagor came up with creative expressions and songs to perform during the service. The creative expressions were about their friends and favorite area directors at camp.

Saturday Morning

- Ayelet
 - On Saturday morning, the ladies of Ayelet lead services. Each cabin had the opportunity to lead one or two songs, prayers and creative expressions. During the week, they created poems and songs to present at the service. The poems and creative expressions were about their memories they created this session.
 - This week's Torah portion was about adapting to the changing of times and expectations in society.

AROUND THE AREAS

AREA: Arts & Crafts and Ropes

Golan visited Lindsey in Arts and Crafts this week. While working on various projects Lindsey played Israeli music. The activity ended up turning into an Israeli Dance party!

Judaics was incorporated at Ropes this week. When Sharone arrived at Ropes they brought Ropes staff their snack and sang the Hamotzi for the staff before they all ate. They recited the Birkat after they ate.

AREA: Judaics

Sigal had Ayelet, Almagor, and Sharone visit her in Judaics this week. Ayelet and Almagor prepared for services by writing creative expressions and practicing songs and prayers. During focuses, Ayelet made Mitzvah journals. In their journals, they wrote down things they can do to make other people happy. When Sharone visited Judaics they made Muzuzahs to hang in the cabins. Additionally, they made bracelets with their Hebrew names. For girls, without Hebrew names, they translated their name in English to Hebrew with the help of Judaic's staff Moria.

VALUE OF THE WEEK: KINDNESS

This week's value was kindness. Kindness was demonstrated in many areas of camp in various ways. The ladies of Sharone visited Ropes. Director, Reagan gave them the option to climb the Cargo Net. Most of the girls participated, but one was afraid to climb up. One of the girls who already climbed was able to talk to her friend into conquering her fears and climbing the net. She ended up having a blast on the net!

On Thursday night, older and younger Ayelet girls got paired together as big and little sisters. Their pairing will be their rafting partner on the River Trip. The purpose of the sister is to meet all the girls in Ayelet. The younger girls have someone to look up to, while the older girls have the opportunity to become a mentor. The older girls showed kindness to the younger girls by preparing them for the river trip by answering questions and hanging out with them.
