

JEWISH LIFE ON THE PENINSULA

CAMP SABRA

SHABBAT SHALOM

Torah Portion: Pinchas 25:10 - 30:1

Friday Night

- Ayelet
 - On Friday night, Ayelet helped lead Shabbat services. During cabin activities, each cabin created songs and poems. One cabin sang their own rendition about Camp Sabra being their "home away from home". Another cabin performed an acrostic poem using the word Shabbat.
 - This week's Torah portion focuses on the idea of standing up for what is right. In this story, not all the Jewish people were following the rules. Therefore, Pinchas had to take matters into his own hands even though not everyone agreed with his decisions and what he did.

Saturday Morning

- Almagor
 - On Saturday morning, Almagor helped led services. Saturday was extra special as we celebrated Josh becoming a Bar Mitzvah. Almagor had the opportunity to come up as a cabin to perform poems about their overnight and overall camp experiences.

AROUND THE AREAS

AREA: Tarbut

This week at Tarbut, campers learned about Lithuania. They discussed similarities and differences between Jewish and Lithuanian culture. Campers discussed how Lithuanian Synagogues were built from wood pallets. After they created their own synagogues out of crackers and frosting.

AREA: Ropes

This week at Ropes, we focused on the value of the week, kindness. Campers participated in various activities at low ropes. They balanced on the Seesaw, were given a marker connected by multiple ropes, and had to work together to write a message. Through these activities campers had the opportunity to build a kind community.

VALUE OF THE WEEK: KINDNESS

This week at camp, we focused on kindness. Kindness is the quality of being friendly, generous, and considerate. Examples included picking up trash, cleaning the tables after meals, refilling the food, and thanking staff for their hard work.
