LETTER FROM THE EDITOR

Hi Sabra Families!

My name is Alec Baris, and I will be the 2018 Media Director! This is my 11th summer at Camp Sabra, my fourth as a staff member and first as senior staff. I am in charge of the Sabra Schmooze (staff newsletter), Parent Newsletter, creating and posting items on the Sabra Blog, and I will be contributing various other multimedia pieces. I'm looking forward to communicating with you all for the rest of the summer!

Camp started off with a bang, as the campers were greeted with smiling faces and open arms right off the bus!

MASADA '18!

It was Masada's turn to lead services, kicking off the summer before they leave for Colorado.

Land Activity Spotlight - Landsports

This week at Landsports, the campers focused on strong communication and team work, as well as how to dribble, pass, and shoot in soccer, basketball, softball and volleyball.

Water Activity Spotlight - Pool

This week at the pool, the campers participated in inner tube sports, including basketball, volleyball and baseball, and survivor relay races. They learned how to work together as a team and basic skills from the mentioned sports.

Judaics Spotlight

This week's value was "Ometz Lev", or Courage. Here are all of the campers who were recognized by staff and other campers for courageous acts on Saturday Night!

Josh Mannis, Songleader, along with the help of Kezia Valyi, Judaics Director led both the evening and morning services this week with the help of Masada and Younger Habonim

STAFF SPOTLIGHT

Sydney Lefton has been coming to Camp Sabra for 10 years, and she is so happy to be back this summer as the Assistant Sharone Unit Head. She is from St Louis and currently attends Tulane University in New Orleans. Sydney's favorite thing about camp is getting to meet new campers and helping them develop their love for camp, and she can't wait to dance in the dining hall and try new activities that she and her campers have not done.
