WEEK OF JULY 23, 2017: SECOND SESSION

From the desk of the Director:

Ben Panet
Assistant Camp Director

Sabra Summers: 14

Hi Sabra Families,

Ben Panet here, Assistant Director at camp and I have the pleasure of hiring all of our phenomenal staff. In my 14 years at camp, and in my 4 years of Staff Hiring, I have never seen a group of staff who are so incredibly kind, caring, and passionate about showing campers the magic of Sabra.

These staff live and work in the heat 24/7 and every morning they come out smiling and packed with enthusiasm for camp.

Our staff come from all over the world and from so many different backgrounds. We have college athlete's, Law School students, Jewish Educators, Rock climbing coaches, Early Childhood Education major's, Social Work major's, Artists, Engineers, and even two former camping professionals!! Our staff leave me utterly impressed every single day, and we are forever grateful for them.

I keep coming back every year to Camp Sabra because it is my home. I have a million memories here, and each year my memories deepen and grow. And every year, the staff and campers are always amazing.

I love learning about everyone at Camp Sabra, every single camper and staff is so different and it's an amazing place to discover who you are. Campers have an extraordinary opportunity to discover their honest and authentic selves. I went through this process at Camp Sabra and I love watching campers experience the same growth and exploration of themselves.
