

# SHARONE SAYS HI

## LIFE ON THE PENINSULA

Sharone has had another great week filled with lots of activities including Maccabia.

We are so excited to have our 1B campers here to participate with us!

## ALAINA ANSWERS: A NOTE FROM YOUR UNIT HEAD

"We have had a very exciting week in Sharone from Fireworks to Maccabia; there has been a lot going on. Our campers have cheered themselves hoarse and are having the best time!"

# CABIN CHAT

## G5

"We loved Maccabia! The best part was getting to cheer on our teams! The second part of the blaze was our favorite. Each team ran all around camp doing lots of activities such as hula hooping and completing in swim relays in the pool. We ended the blaze with our entire team passing a small bucket filled with lake water down a line to fill a large trash can.

## G3

"Making the videos for our teams was super fun. Doing swim relays and other fun events during the blaze was awesome! We really loved getting to watch all of the videos and dances at the end of the day and finding out who won!"

## G10

"Painting our counselors' nails during the first part of the blaze and doing the bucket pass in the last part of the blaze was amazing! We loved cheering all day and finding out the winner of Maccabia."

## G7

"We are so excited to get to go to Big Surf this week and go on slides with all of our friends! Those of us on the yellow team were so happy when we won Maccabia. Making the video with our team and getting to show it at the end of the day rocked!"

## G1

"The decorations in the dining hall for Maccabia were amazing. We loved cheering for our teams and for our two counselors who were captains. Competing in things like nail painting and table setting with our friends was so cool, and those of us on yellow team were so happy when we won."

## EVENING PROGRAMS

Every night after dinner, Sharone has a unit evening program, run by their unit head, Alaina.

**Sports:** For sports night, the Sharone girls got to play a variety of sports from soccer to volleyball and even hockey. They played on random teams with a mix of girls from every cabin in friendly competitions.

**Messy Olympics:** The Sharone girls and staff had a blast getting messy for a night! They went to stations like a chocolate waterfall and shaving cream hairdos, and then had a whole messy food fight at the end!

**Cupcake Wars:** Each cabin was given a set of cupcakes that they got to decorate with frosting, cereal, and candy! They each picked a theme and the staff judged which cabin had the best cupcakes in Sharone.

### ACTIVITY SPOTLIGHT OF THE WEEK: TRIPPING

At tripping the Sharone girls have been building fires and playing fun campfire games. They also got to canoe this week and they especially loved learning how to fall out and get back into the canoes!

### QUESTIONS TO ASK YOUR CAMPER IN YOUR NEXT LETTER TO THEM

- What songs did you sing at Shabbat?
- What team were you on for Maccabia?
- What activities did you participate in during Maccabia?

### THINGS TO LOOK FORWARD TO:

- Talent Show
- Big Surf
- Closing Campfire
